One of our most popular acts. This three piece pop reggae band bring the house down at every booking. Their UB40 covers are so good you might call them a tribute act—but a few Bob Marley's and Desmond Decker's say they are not. Nostalgic and full of energy.

GLIDE

Fantastically cool five piece band featuring the outstanding vocals of Simone. Covering songs from all genres from Jazz to soul to good old ock and roll plus everything in between.
